1 End-User License Agreement (EULA) of Ripper

This End-User License Agreement ("EULA") is a legal agreement between you and Viator DSP LLC.

This EULA agreement governs your acquisition and use of our Ripper software ("Software") directly from Viator DSP or indirectly through a Viator DSP authorized reseller or distributor (a "Reseller").

Please read this EULA agreement carefully before completing the installation process and using the Ripper software. It provides a license to use the Ripper software and contains warranty information and liability disclaimers.

If you register for a free trial of the Ripper software, this EULA agreement will also govern that trial. By clicking "accept" or installing and/or using the Ripper software, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity and its affiliates to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, **do not install or use the Software, and you must not accept this EULA agreement.**

This EULA agreement shall apply only to the Software supplied by Viator DSP herewith regardless of whether other software is referred to or described herein. The terms also apply to any Viator DSP updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

2 License Grant

Viator DSP hereby grants you a **personal, non-transferable, non-exclusive** license to use the Ripper software on your devices in accordance with the terms of this EULA agreement.

You are permitted to load the Ripper software (for example, a PC, laptop, mobile, or tablet) under your control. You are responsible for ensuring your device meets the minimum requirements of the Ripper software.

You are **not** permitted to:

- Edit, alter, modify, adapt, translate, or otherwise change the whole or any part of the Software, nor permit the whole or any part of the Software to be combined with or become incorporated in any other software, nor decompile, disassemble, or reverse engineer the Software or attempt to do any such things.
- Reproduce, copy, distribute, resell, or otherwise use the Software for any commercial purpose.
- Allow any third party to use the Software on behalf of or for the benefit of any third party.
- Use the Software in any way which breaches any applicable local, national, or international law.
- Use the Software for any purpose that Viator DSP considers a breach of this EULA agreement.

3 Intellectual Property and Ownership

Viator DSP shall at all times retain ownership of the Software as originally downloaded by you and all subsequent downloads of the Software by you. The Software (including the copyright and other intellectual property rights of whatever nature in the Software, including any modifications made thereto) **are and shall remain the property of Viator DSP**.

Viator DSP reserves the right to grant licenses to use the Software to third parties.

4 NON-LIABILITY FOR DATA LOSS OR CORRUPTION

Licensor shall not be liable for any loss or corruption of data, or any other damages arising from the use of the Software. It is your responsibility to ensure that all important data is appropriately backed up and safeguarded against potential loss or corruption during the use of the Software.

5 Termination

This EULA agreement is effective from the date you first use the Software and shall continue until terminated. You may terminate it at any time upon written notice to Viator DSP.

This EULA will also terminate **immediately** if you fail to comply with any term of this EULA agreement. Upon such termination, the licenses granted by this EULA agreement will immediately terminate, and you agree to stop all access and use of the Software. The provisions that by their nature continue and survive will survive any termination of this EULA agreement.

6 Governing Law

This EULA agreement, and any dispute arising out of or in connection with this EULA agreement, shall be governed by and construed in accordance with the **laws of the United States.**
